

ABOUT MATRIX

WHO WE ARE

MATRIX is a trusted provider of industrial mechanical equipment, OEM spare parts, engineering services, and water treatment solutions across Egypt and the MENA region.

With more than **19 years** of engineering experience, we help industrial facilities improve reliability, minimize downtime, and maximize operational efficiency through high-quality products, technical expertise, and responsive after-sales support.

OUR VISION

To become one of the leading industrial solution providers in the MENA region by delivering innovative engineering solutions, reliable products, and exceptional customer service.

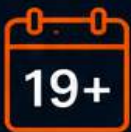

OUR MISSION

To provide high-quality industrial equipment, engineering expertise, and maintenance solutions that enhance plant performance, reduce downtime, and create long-term value for our customers.

WHY MATRIX?

19+
Years of
Engineering
Experience

Egypt &
the MENA
Region

Global
OEM
Partners

Reliable
Delivery

Comprehensive
After-Sales
Services

OUR PRODUCTS & SOLUTIONS

We deliver a comprehensive range of high-quality industrial equipment and solutions designed to optimize performance, improve reliability, and support the long-term success of your operations.

01

COOLING SOLUTIONS

- Cooling Towers
- Closed Circuit Cooling Towers
- Cooling Tower Parts & Accessories

02

HEAT TRANSFER SOLUTIONS

- Heat Exchangers
- Brazed Heat Exchanger
- Shell and Plate Heat Exchanger

03

INDUSTRIAL EQUIPMENT

- Valves
- Pumps
- Blowers
- Expansion Joints
- OEM Spare Parts
- Finned Tubes

04

WATER TREATMENT SOLUTIONS

- Water Treatment Plants
- Sand Filters
- Chemical Cleaning
- RO Stations

PREMIUM QUALITY
High-quality equipment from trusted global manufacturers.

ENGINEERING EXPERTISE
Technical know-how and customized solutions for every application.

RELIABLE PERFORMANCE
Engineered for durability, efficiency, and long-term operational excellence.

AFTER-SALES SUPPORT
Dedicated support and maintenance services you can rely on.

MORE PRODUCTS & SOLUTIONS

Delivering reliable industrial equipment and engineering solutions for power, petrochemical, oil & gas, water treatment, and heavy industries.

01

SOOT BLOWERS

- Long Retractable Soot Blowers
- Rotary Soot Blowers
- Wall Blowers
- Spare Parts
- Maintenance Services

02

TUBE HEAT EXCHANGERS

- Shell & Tube Heat Exchangers
- Condensers
- Evaporators
- Replacement Bundles
- Retubing Services

03

AIR COOLED EQUIPMENT

- Air Cooled Condensers
- Air Cooled Heat Exchangers
- Fin Fan Coolers
- Spare Parts
- Maintenance

04

AIR BLOWER

- Centrifugal Air Blowers
- Industrial Air Blowers
- High Pressure Blowers
- Spare Parts
- Maintenance Services

More Products and solutions

High-quality industrial components and systems engineered for reliability, efficiency, and long-term performance in the toughest applications.

EXPANSION JOINTS

- Rubber Expansion Joints
- Metal Expansion Joints
- Fabric Expansion Joints
- Flexible Connectors

AIR BLOWERS

- Side Channel Blowers
- Roots Blowers
- Centrifugal Blowers
- Industrial Air Blowers

METAL SPRAY NOZZLES

- Spray Nozzles
- Atomizing Nozzles
- Full Cone Nozzles
- Flat Fan Nozzles
- Custom Spray Systems

AIR FILTRATION SYSTEMS

- Bag Filters
- Cartridge Filters
- HEPA Filters
- Dust Collectors
- Air Purification Systems

OEM COMPONENTS

High quality components from trusted manufacturers.

TECHNICAL SUPPORT

Expert technical support and engineering advice.

ENGINEERING CONSULTATION

Custom solutions tailored to your requirements.

AFTER SALES SERVICES

Reliable support after every delivery.

More Products and solutions

Comprehensive services and genuine spare parts to ensure your operations run reliably and efficiently, minimizing downtime and maximizing performance.

9 INSULATION SERVICES

- Thermal Insulation
- Hot & Cold Insulation
- Acoustic Insulation
- Industrial Cladding

10 PLATE HEAT EXCHANGER SPARES

COMPATIBLE BRANDS

Alfa Laval • Sondex • GEA
Tranter • API • APV • Vicarb

11 OEM SPARE PARTS

- Pumps
- Heat Exchangers
- Valves
- Blowers
- Cooling Towers
- And More

12 ENGINEERING SERVICES

- Installation
- Troubleshooting
- Commissioning
- Technical
- Maintenance
- Consultation

QUALITY ASSURED

All products and services meet international quality standards.

RELIABLE PERFORMANCE

Engineered for durability, efficiency, and long-term operational excellence.

COST EFFECTIVE

Optimized solutions that deliver the best value for your investment.

EXPERIENCED TEAM

Skilled engineers and technicians dedicated to your success.

More Products Solutions

13

BIOCIDE ANTI-CLOG TABLETS (BAC)

- Reduced maintenance - keep drains clear minimizing shut down time
- Freedom from biological contamination - removing unpleasant odors and reducing potential health risks
- Environmental protection - drains remain clear, overflow is prevented and structure fabricant furnishings is avoided

14

WATER TREATMENT CHEMICALS

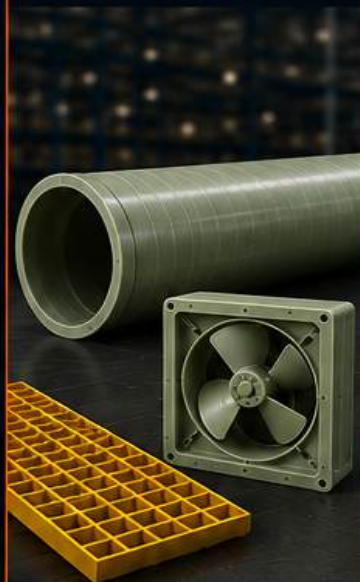

- Scale & corrosion inhibitors
- Disinfectants & biocides
- pH control solutions
- Coagulants & flocculants
- Cleaners & detergents
- Resin

15

FRP INSULATION AND PARTS

- FRP Pipe & Fittings
- FRP Tanks & Vessels
- FRP Insulation Jackets
- FRP Custom Parts
- FRP Walkway
- FRP Fans
- Corrosion Resistant
- Lightweight & Durable

16

OILS

- Industrial Oils
- Compressor Oils
- Gear Oils
- Hydraulic Oils
- Turbine Oils

QUALITY ASSURED

All products and services meet international quality standards.

RELIABLE PERFORMANCE

Engineered for durability, efficiency, and long-term operational excellence.

COST EFFECTIVE

Optimized solutions that deliver the best value for your investment.

EXPERIENCED TEAM

Skilled engineers and technicians dedicated to your success.

Delivering reliable industrial equipment and engineering solutions for power, petrochemical, oil & gas, water treatment, and heavy industries.

01

TANK MANUFACTURING

- Custom Fabrication
- Pressure Vessels
- High Quality Materials
- Compliance & Safety

02

SAND BLASTING AND PAINTING

- Sand Blasting
- Surface Preparation
- Industrial Painting
- Corrosion Protection

03

COOLING TOWERS AND HEAT EXCHANGER INSPECTIONS

- Visual & Mechanical Inspection
- Tube Integrity Testing
- Performance Evaluation
- Reporting & Recommendations

PREMIUM ENGINEERING

Engineered for durability
and high performance.

OEM QUALITY

Built to meet
global standards.

CUSTOM MANUFACTURING

Tailored solutions for
your exact needs.

FAST DELIVERY

On-time delivery
you can rely on.
